KANE BERKHOUT

Cyber Security

About Me

During my internship at Easi, I developed strong Governance, Risk and Compliance (GRC) skills, specialising in NIS2 regulatory frameworks. This experience has deepened my understanding of cybersecurity compliance and risk management in a professional setting and strengthened my technical and analytical abilities in IT security.

Soft skills

- Critical Thinking
- Attention to Detail
- Communication
- Teamwork / Collaboration

Hard skills

- NIS2
- CyFun
- EBIOS Risk Analysis
- Monitoring
- Threat Analysis
- Python

Languages

- Dutch C2
- French C2
- English C2

Education

HAUTE ÉCOLE LIBRE MOSANE
2022-2026

- **Bachelor's Degree :** Cyber Security

ATHÉNÉE ROYAL DE VISÉ
2012-2021

- **CESS :** Technique Artistique Qualificatif

Work Experience

Easi - Technical Engineer Intern
FEB 2026 - MAY 2026

- Evaluating and comparing eGRC tools to identify the best solution for supporting ISMS processes under NIS2 frameworks.
- Analysing and improving NIS2 Readiness tracking, proposing recommendations to strengthen compliance maturity.
- Reviewing audit methodologies to identify how GRC tools can automate and structure key steps for greater efficiency and traceability.

Media-Max - IT Technician Student
JUN 2023 - NOW

- Providing comprehensive IT support services including smartphone, tablet, and computer repairs.
- Building and configuring custom PCs for gaming and professional use.
- Advising clients on computer peripherals and IT accessories to match their specific needs and requirements.
